FAMILY PLANNING WORKSHEET

MAP IT OUT

To equip and encourage your family to design a Christ-centered spiritual plan, spend time with your spouse and age appropriate children to prayerfully consider your responses to the following questions that represent the five key areas of concern:

VISION / MISSION / VALUES / GOALS / PRAYER

VISION

WHAT YOU ARE ATTEMPTING TO ACCOMPLISH?

To develop your vision, you need to recall your own personal story. Write your testimony of coming to Christ and include your thoughts on why faith is an essential element for your family for generations to come.

MISSION

HOW WILL YOU ACCOMPLISH IT?

Your mission is how you will live out your vision. Determine who you are trusting for your spiritual maturity and salvation and what processes you might use to live out your life of faith in your family and in the world around you.

VALUES

YOUR NON-NEGOTIABLE CORE BELIEFS

Your values drive your decisions. What do you value and consider non-negotiable priorities in your personal and family life?

List up to ten values you desire you and your family to have.

1	6
2	7
3	8
4	9
5	10

GOALS

WHAT MOVES YOU CLOSER TO REALIZING YOUR VISION?

Read **Ephesians 6:4**, **Proverbs 22:15**, and **Deuteronomy 6:4-9** to help determine three things you can do this year to train and instruct your children in the Lord.

Set no more than three goals per year for your family.

1 _____

2 _____

3 _____

PRAYER

THE POWER BEHIND THE PLAN

Intercessory prayer is the key to success! As you pray, God will provide wisdom, direction, inspiration, and encouragement as you develop and live out your family's vision.
